Mr. E. C. Turner,
80 Mc Donald St.,
Brooklyn, N. Y.

Dear Turner:

I have just sent you a wire, asking you to contact my office with reference to working in Albany this Sunday, July 14th. I asked Crump over the phone yesterday to get in touch with you so you and he could leave in Pompey's bus Sunday, but since then I have learned Pompey is leaving New York Saturday for Bridgeport, Conn where he is playing Sat. Night, and he will leave from there for Albany Sunday A. M., therefore, will you please catch the train and be in Albany not later than 1 P. M. Sunday, and I will refund you and Crump your transportation.

Very truly yours,
